Royal Yakuti

(ANANG VILAS.)

This Yakuti or life-giving nectar has prepared from the best, choicest and ri vegetable drugs. It has a wonderful prop of increasing the nerve power and is a speci for diseases. This valuable medicine is used in large quantities among Rajas, Maharajas, and many of our esteemed customers. But we have ventured to give it publication simply with a view to place it before the gener public owing to the demand of several friends. It is needless to expatiate upon the magical qualities of our invaluable medicine. We would not like to blow the trumpet as is the fashion of the day, but suffice it to say that the use of this medicine is recommended to those who have any faith in the efficacy of Ayurvedic and Unani medicines. We recommend it also to those persons who desire to tone up the nervous system to strengthen the body, refresh the memory and to guard against debility. It works like a charm and the effect is lasting. It restores strength and it is enough to say that musk is not that which a perfumer admires. It that which diffuses fragrance of its own accord. Price per tin, containing 40 pills, Rupees ten only. Postage extra. No PARHEZ necessary.
